“ Wilma was more than a cousin to me, she was a second mom. During my childhood she was there for me when I needed a mom figure. She loved me as if I was hers and I will always be grateful for that. She never said anything harsh towards anyone, she was always filled with positivity. Definitely one of the greatest people I've ever had the pleasure of knowing. Bill, Billy, Dee Dee, I'm so sorry. I love you guys so much! Just know she is with you always. Look for signs, she will let you know she's there. My thoughts and prayers are with all.

“ My sweet, lovely Aunt Wilma. I Loved her so very much. I never saw two people more in Love, than her and Uncle Bill. She was an inspiration. She was an Angel on earth. My Angel. Never a harsh word or mean comment about anyone. Always a smile on her face. One to admire and look up to. I was blessed to be her niece and even more blessed to have spent a small portion of her life with her. Her Precious face will brighten Heaven as she spreads her wings and flies, to watch over us all. My Love Always! Donna

“ Aunt Wilma was one of the sweetest women I have ever known. I remember Christmas get togethers at her house when I was little and her always calling me her “Mary Jean”. Wilma was my cook at Newhall and Berwind. I loved being able to see her everyday. You definitely left a special mark on everyone’s heart you knew. I love and miss you dearly!

“ Wilma was my aunt and I miss her so much. She was a very special person in our lives. She had such a kind soul. She was always so supportive and loving of us. She was also the cook during my middle school years and I remember her sneaking me pizza when I would sneak after eating to go see her. I will never forget going through the lunch line and getting to see her everyday. This news was so hard to take. I still can't believe it. My heart goes out to all the family. Heaven truly gained an angel.
