“ *I met Betty when we were working at a nursing home in Clemmons, NC. My daughter, Kim, and Betty's son, Scottie would come with us on occasion and the residents just loved them. The longer we worked there the closer we became. I loved her dearly and am heartbroken I am physically unable to make the trip to West Virginia. She will never be forgotten but remembered as one of my greatest blessings. Continued prayers for her family. I'll see you again Betty!!*

“ *She was there to see my mom before she passed which I am grateful and anyone who knew me knew I was a mommy's girl, and she thought enough to be there, so I will always be grateful to her for that. May she rest in God's arms .*
