“ I believe that, outside my mom and dad, she was the most purely honest associate I've ever known. Quick to smile, and welcome you to her store, she loved people, was proud of our town, and would help any way she could. She was the perfect model of a Christian wife, mother, daughter, sister and friend to all. I will miss her, but she is smiling forever in my memories. My truest and heartfelt sympathies to Jim and the rest the family. May God grant you peace.

*Connie was a gift to our community. They were there for all the times when everyone else was closed, even willing to open the store in emergency just to help out. She will be missed. She was a true friend to my parents.*
