“ I'm at a loss of words. Joey was just working with him a couple weeks ago on Brenda's porch and walk way. You would never imagined he would be gone a few weeks later. While they worked together they laughed over "ole times" in Premier and crazy things they use to do. Delbert was a good man who would do anything for anybody whose left this world way to soon. Prayers for Kim, their son and all the family. RIP Delbert
