“ What can I say about our sweet Dennis? Generous to a fault, kind, and that smile was so radiant. I know he is with God and Jesus is giving him a tour around Heaven. I wish I could have said goodbye. My heart hurts with grief but I smile when I remember the time he had me speak on the radio with him for Father's Day. He was a natural preacher and loved telling people about Jesus! Oh how I will miss him. He is happy now and at peace and no longer suffering. I hope that beautiful smile is lighting up Heaven. Thank you Father God for giving us 65 years with this precious soul!

Love,

Your Sis Mary

*I love you little brother and will always think about the good times we had together growing up in Havaco.
A big brother is supposed to protect his little brother and I am sorry that I couldn't do more to try and help you to have a better life.*

I hate the fact that I will never get to see you anymore but I know that I don't have to worry about how you are doing, hopefully you have found the peace you seemed to be looking for your whole life and have now found it.

*Your old Brother
