“ I am so sad about this. Don has been a part of my life for as long as I can remember. He was good friends with my parents. The last time I saw him was in October at a church event. We had such a good conversation. Lind, you and your family are in my prayers. We love you all.

“ *Don was always so kind. My memories include the visitations at War Douglas Funeral Home. Every service, he would chat with everyone. If you walked up to Don during a service, he would stop what he was doing and give his undivided attention. Fond memories and blessing for his family.*
