“ I was so sad to hear of the passing of Mrs. Privett Collins. She and I walked around the track at Big Creek for many years. She was a God fearing ,loving, and humble lady. I always felt better after walking with her. She gave good advice and was always so positive! She uplifted me and made me feel better! An angel has truly gained her wings.Miss Edith, you can now walk around heaven all day! My love and condolences to the family!

“ So sorry to hear of Edit’s passing. Prayers for the family. I remember when Edith , James, William, my brother Jerry and myself were berry picking in Barton hollow and Edith was bitten by a copperhead. She was tough and got better in no time hardly. Now she’s in a place where no snakes are allowed and with her Mom, Dad, Sister and most important God Almighty. You will be missed here Edith but home forever. 🇺🇸
