“ *From Kaylene Adams
Elvia; my older sister (not in-law)
You have been loved and admired since the day my Big Brother Rudy brought you into our family. A very good example for (us) younger sisters. As the years have passed you grew not only physically, but strong with God's spirit leading you and guiding you! I saw this and only in comparison with my Blessed mom you had the strongest faith and sharing God's word and love to all you met. A mighty God-fearing woman you were! A beautiful and dedicated disciple for Jesus Amen. Always my love for you --- your younger sister...*
