“ *Dearest Eric,*

Even though we weren't as close as I would liked to have been, losing you has left me heartbroken. I have always included you and Sheila in my daily prayers. Throughout the years, I kept up with you through your Dad, Facebook, and occasional phone calls and visits with Sheila. There's no denying you're an Addair...you look just like your Grandfather Tom. Sure wish you could have known him and your Grandmother Virginia. They too were taken much too young. Sending you peace and love...you'll always be in my heart.
