“ EJ the kindest , most hard working person , honest person I have ever met. It was a privilege to know him. He made my life better. No job did he and I encounter that we didn't complete, I could just think something and he would get it done. Remarkable! To his precious family, I am so sorry for your loss. It was an honor to know him and we are all better because of him. Is memory will always be a blessing.

“ E. J. was a fine man and a long time friend. He had special talents that most would be unaware of but when I needed help it was always EJ to the rescue. I especially remember oysters on the pier at the ocean with EJ and my Dad. EJ loved his family! Forever thankful to have known EJ!
