“ I have known Fred many years and always found him to be very jolly and a kind man who loved his family. I will always remember as I went to see Jonathan how he would yell at me and I would always take time to chat a bit with him. We have lost a wonderful friend and neighbor. In the past year, you could always see him and his sidekicks, Lonnie Walker and Dennis Mahaffey sitting on the porch chatting with FRED, REST IN PEACE FRED, YOU WON'T BE FORGOTTEN.
