“ *Jr was a wonderful child...remember from living on Central Av. Near his family. My Mon, Louise Sparks, loved him so. I'm sure she'll be near as the Lord welcomed him home. He left much too early, but what peace to know he's celebrating with our Lord and Savior.*

“ *My Deepest Sympathy to Linda and all the Family in the loss of a wonderful, precious Husband, Father, Grandfather, Brother, Uncle, Brother-in-the LORD, caring friend, and neighbor... I'm sorry if I left out a place he held in your heart... Junior was a very "Special" man... didn't know him until I came to Trinity Temple and he was a Born Again Christian then... and he was always one to carry on with me and others. Always joking and trying to catch you up in something... but it was all in fun... we would play around with each other before service trying to see who was going to get it over on the other one shaking hands. He would reach out his hand like he wanted to shake my hand and just as I reached out to shake his, he'd withdraw it and pull it up to his head... Junior loved Linda and Linda loved Junior, there was never no doubt about that....they stuck together like "Super Glue". He was always kidding around and I will miss that about him, he became very dear to me. I can remember telling Linda as Junior's health began to decline, and he wasn't able to come to Church, "Tell Junior I miss him, and I love him, but don't tell his wife I said that"! She would laugh and say, "I won't".. I am going to miss my Brother-in-the-LORD, and my Buddy... you were one "Special" man!!!*

“ I hope you knew that I loved you and that you were always my grandpa. There was no “step” in the title. You loved messing with me and now I will cherish all the jokes you made. When I was a kid, you asked me what kind of potatoes I liked and me being a kid, I just said the ones that were brown and white in the middle. You never let me live that down. You always messed with me when I wore makeup because you said I didn’t need it. You were just always there for us and you always knew how to make me laugh and smile. You will always be in my heart and I love you so. God gained an amazing guy and beautiful soul.
