Jim was my friend, buddy, and coworker at Olga Coal Company! We were part of the Tipple crew. He probably went to school with my older sisters, Peggy and Carol. His birthday was one day before mine. He and Peggy was born the same year, three days apart. I will miss Jim. We shared Christmas cards for many years whenever I left WV after Olga Coal Company shut down back in 1986. My sincere condolences to the family and love ones, especially Chrissy, who has bravely stood by her Dad and took care of my friend. God Bless his memories and those who loved and knew my buddy.
