“ *This beautiful sweet lady always welcomed family and friends. I felt at home there. We shared family stories on her front porch, we would laugh and remember all our large families old times. May God wrap his arms around Ken and their children ,grandchildren and help each one in this sad loss. we love you all and in our prayers. Betty Sue AND ALL OF the family of Leslie and Jane Hicks. *My family lived close to Clicks in No 5 Caretta when I was 13/14 (Linda Holder). After I had been baptized near English, I told my Mom that I felt God wanted me to pray with the Mother, wife of Reuben Clic, and my Mom went with me into the home and prayed by the bed, where Mrs. Click died a few hours later. I had wished I had gone the night before that and wish I could have told Jeannette. Once I tried to play piano for those girls to sing in church somewhere. 🌸*
