“ Johnny was my best friend and I loved him dearly we have been best friends for almost 40 years! I am devastated by this loss and I will think of him always and always remember our good times together one memory will always be in the forefront of my mind is back in 1993 when we had the blizzard! We were in Bluefield when it began and by the time we were leaving for home we couldn't get there we ended up stuck for days and when Connie came to get us we knew we were in trouble because she fussed at us all the way back to McDowell County!! It was some of my greatest memories!!

“ I was so sad to hear about Johnny passing away! I stayed at Count Gilu many times for work. He and Mona always made things right. It just won't be the same without them.

“ John I can't believe you have grown up and passed. I remember you as a young child coming next door to my house every day to play with Diana. We have kept in touch thru the years. Get your rest and be ready to meet your mother and grandparents.

First off John did not have any siblings. Lisa and Marsha were his cousins not niece. Lisa last name is Hubbard. His Uncle's name should had been Jerry and not Terry. Kenneth Williams is not a nephew he was a cousin. Someone was given the wrong information that was posted at the funeral home. I am his Aunt Beverly Runyon
