“ Jonathan Lambert loved my Lemon Bundt Cake with Lemon Icing. He always bragged on how delicious it was ...except for one time. I had added some Sprinkles on the Lemon Icing and he adked his Mom, "Why did she put Sprinkles on the Cake, I don't like Sprinkles"! From then on I never put Sprinkles on one again...and just so you know John...I made one in your Memory yesterday for others to enjoy out of the goodness of your heart. Will miss you not getting any more of my Lemon Cake without Sprinkles. Love You!!! Regina Bishop

“ I remember Jonathan as a handsome young man that several young ladies had eyes for. He was such a friendly, fun loving kind of guy. My love and prayers go out to his beautiful family, his mom and dad Ben and Tubby are being thought of with much love and prayers. I pray for his siblings, his children and friends during this very trying time. May God grant you peace and comfort as you journey through this difficult time. Brenda Hall Mullins, Big Sandy, W.V.

To the Lambert family, we are so sorry for your great loss. It's hard to believe John is gone now but my mind goes back to Shabby Run Hollow in the little church house where he would be on the front pew every time there was a service..He was sitting with his Aunt Dee. The Lord was presented to him every time and for his whole life. Ben and Tubby my heart hurts for you both and the whole family..You two are the best friends anyone can have and we are sorry to know you have to say goodbye to your baby boy. We love you both so much..Praying for comfort from the good Lord He knows what you feel and what you need..

Faye and Walter Muncy. Love you much
