“ Larry was a force. He didn't let anything slow him down and had a fierce determination.

*I remember making a comment on how pretty Pam decorated for Christmas and the way he spoke about that, you could feel how proud he was and how much he loved her.*

*The Maples was so fortunate to have had someone employed in that position to make such a difference.*

*The world needs more men like Larry and he will certainly be missed.*

“ Larry was one of the strongest people I have ever known. Even on his bad days, I would tell him to take it easy, he would say, I'm ok, I'm not your average Joe. He was right, he wasn't. He was a fighter for sure. He will be missed by all his Maples family.

“ Larry was deeply cared for by his Maples work family. If he wanted a snack or a drink, he always knew whose office to visit. He always came to work, even when he didn't really feel good. He loved getting a McDonald's mocha frappe and would say that was just what he needed to get the day started, so I would usually bring him one every week. He was very dedicated to The Maples and would always participate in special activities for the residents. He will be greatly missed. Praying for Pam and all of Larry's family.

Sympathy, love and prayers to Larry's family. I am deeply sorry for your loss. He was a proud, kind, smart and gracious person. He was a wonderful student and always one step ahead. I appreciated his "questioning" in class and wanting to always learn more.
