“ Praying for family and friends. As a child I had the pleasure of growing up to know Lee through his daughter Shirley Lee and my Uncle Donald Harmon. Lee was a hard working man always finding something to work on, fix, or family and friend to take care of. Lee would do anything to help a friend, family member, and stranger. He always knew you and always had a smile on his face when he was out. My heart is saddened for the pain that his family and friend are suffering right now and will pray for comfort.
2 Timothy 4;8 7 I have fought a good fight, I have finished my course, I have kept the faith: Henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that day:

“ There's so much I could say about my grandpa (pooh). He was the most kindest, sweet hearted person that you could ever meet. Pooh has been the biggest blessing in my life. He taught me how to tie my shoes, ride a bike and drive a car. The love he had for his family was what kept him going. I am so happy that I had a chance to watch him love my kids the way he loved me. This is so hard and the pain will never go away, but I know you are at peace now Pooh and I will see you again. I love you with all my heart. ❤️
