“ *She was one of the kindest women I've ever known, someone who truly gave hands and feet to Jesus. I was not yet 30, a struggling single mom, and had just taken custody of my niece and nephew. Overnight, my world changed.*

When she learned about my situation, she didn't hesitate. Even though I didn't live nearby, she gathered clothes and essentials for the children and made sure they had what they needed. Her love reached across distance and circumstance, and in that season of my life, it felt like a lifeline.

That act of kindness has never left me. It wasn't just about clothes, it was about being seen, supported, and loved when I needed it most. I will never forget her generosity, her faith, and the way she lived out love in action.

“ *She was a wonderful friend to mom and always treated my children like her own. She loved Jesus and was faithful to follow Him. We will miss her, but we are confident in that blessed hope that she is forever home in glory. In Christ alone our hope is found. Prayers for the family.*
