“ I don’t know your family, but wanted to express my condolences on your loss of Margie Ann...I myself have unfortunately lost many, including my Father just 2 years ago. I understand the immense pain you children must be feeling, and just want to say how sorry I am. Nothing seems like it can fill the void- and it wont, NOT until you can see your Mom again in God’s paradise. Something that really helped me was reflecting on John 5:28 "...the hour is coming in which all those in the memorial tombs will hear his voice and come out",. It will happen because God promised it, and we all know God can’t lie. My thoughts and prayers are with your whole family during this time of great sorrow.
