“ *Mona and Jerry were my neighbors for years-until the flood. You couldn't find two better people. If you needed help they were there and could always be counted on if you needed them!*

“ *Mona was the manager of Count Gilu which my dad owned after his wife Louise passed away. Every morning she had coffee with him to discuss the details of the motel. They enjoyed each other's company beyond work and were friends. Visiting my dad Mona always celebrated his birthday with fun parties and I appreciated all that she did.*

“ I want to express my heartfelt gratitude for Mona’s years of dedicated care and friendship towards my Gramps Jack (John) Hall. She worked tirelessly and was a truly kind and gentle soul. Her daily coffee meetings with my grandpa were a treasured part of their lives. Both are now reunited in heaven, and I find comfort in their eternal companionship. Mona will be deeply missed and always remembered for her warmth and kindness.

“ I am a part of a large group of motorcyclists who come down to Welch several times a year, to ride the beautiful countryside, and visit with the wonderful people there. Our preferred lodging for many years has been the Count Gilu,. where Mona worked. We got to know and love this gentlewoman, whose kind heart always made the Count seem like our home away from home. I will carry the memory of her smile, her laugh, and her subtle humor with me always.

Sorry for your loss. I called this morning and booked a room for Sunday Sept 1, 2024 and talked with John and ask if Mona was there. He said no. A hour later my daughter Tammy called and ask if Mona last name was Williams I said yes and that when she told me she had died. I am so sorry.
