“ This is so heartbreaking. I have so many sweet memories of Pat. I was married to her brother Ben and spent so much time with her and her family when we were young. Even though I haven't seen her since Ben's funeral, I always hoped that we would have a chance to visit and reminisce about all of our wonderful times together. My heart goes out to the rest of the family. Pat was one of my favorite people always and she will be sadly missed.
