“ *I never got to meet him personally but I feel like I knew him because of Beverly. She always spoke of what goodness he possessed, love he shared, took care of the family and was good to her. Bev I am so sorry for your loss, my prayers are spoken for you during this time to have the strength you need. I loved our years together.*

“ *My heart is sad to hear of Bob's passing, but it is also celebrating with him in his new journey of life with his Lord and savior. I am sure there is a great reunion going on with family members who have journeyed that trail before him. I will keep you, Ann and the rest of your family in prayer for strength and peace of heart.
