“ Hey you, wow how dad loved you. From the time I was a little girl, you have always come to see mom and dad. Always checking on him, always asking "uncle Conoey, do you need anything?" Such sweet memories of you and dad just sitting on the porch talking. We will never forget you Robie! Please give dad a big bear hug for us kids and tell him to always smile down on us. Love you, April Baldwin Sluss

“ I'm going to miss you at church 😭 thanks for letting me play on your twelve string guitar in church. I'm glad to put new strings on it for you. I'm going to miss hearing you sing We Are Drinking From The Fountain and House Of Gold. Great on the harmonica especially when you'd play When The Saints Come Marching In, I enjoyed playing guitar with that song. Miss you so much Robie, your family is in my prayers

“ Where do I begin! Robie was quiet a character who could easily entertain people. I grew across the road from the Castle and Sutherland families and they were my family too. Robie is definitely leaving his mark in this life and will be greatly missed. Love to my Welch Road families. Love, April Wolfe
