“ It just won't be the same driving through War & not seeing him or having a conversation with him. My husband gave him a HD hat & in return Duke gave him the boots. They always joked about that. Prayers for his loved ones

I hate to hear this. Me Dude have been long time friends since we was tiny kids. We use to live beside each other in Squire. I had the joy of talking with him and praying with him what time I lived in War a couple years ago. He was a great person and would give you the shirt off his back. We had some good talks about the Lord. I would stop and talk to him about everyday while he was sitting on his porch. He will be missed. God bless him. Prayers for his family and friends. RIP my lifelong friend. James Koger. Prayers to the family from me and Jess.
