“ When I lived with my granny Ethel Thompson, we would visit aunt Ruth every other day and as of a little girl I fell in love with her from day one she would feed me so many Reesie cups, her and uncle Bill Keep cabinets full of candy. I couldn't wait to go to her house I have so many great memories of her and her mother aunt Iddie Simpson , it really breaks my heart to know that she is now gone, but she has gone to a better place ... my aunt Ruth had a heart of gold 😊❤️
