“ I am truly sorry to hear about this. Sherry and I hung out together all the time when I was married to Ronnie and our girls were little and played together. She was an awesome mom and friend at that time. I know she will be missed and loved by all who knew her.

“ RIP Sherry. You were a loving wife, Mother & Grandmother. One of my favorite memories is when there was the huge flood of 76 or 77 and we road the Suzuki 90 dirt bike all over McDowell County looking at the flooding, watching mobile homes float down the Tug River.
