“ To the Smith family: Though I did not know your beloved mother personally, it is our hope and prayer that the many memories that you have all shared with her will provide you with a measure of peace during this time of grief. We also pray that you all are able to find comfort in one another as a family. And most of all, may the "Father of tender mercies and the God of all comfort" be such for you in the days, weeks and months ahead. My wife Shardae and I send our heartfelt condolences to each of you.
