“ So sorry for your loss. When Marvin went into the service he told me he would send me flowers. He did and I was so excited because I had never received flowers before. Mom had kept the card for me and gave it to before she passed. Prayers for the family. Sandie and Rinky you are in my prayers

“ Uncle Marvin,
What can I say except I have so many wonderful memories growing up of how great you were to me. You always found a way to make me laugh. I remember lots of squirrels and fish that you would kill/catch and carry to the house. The woods and being in the woods was your thing. I know that you have to be enjoying heavens beauty right now. Your struggles here on earth were real even though most people didn't understand but I know that God understood & Jesus loved you unconditionally. You were a great Uncle to me & I hope you knew how much I loved and appreciated you for that. I wish I had been a better niece in these past few years. Thanks for all of the great memories and enjoy your time with Mommaw while you can because when I get to heaven after I see Jesus I am coming to find her and take her back because I know you were always her favorite kid. (Don't tell mom or Sandie I said that ok??)
Love you!
